LIGHT FUNCTIONS

Accessories for Guardian

To Perfect Your Kit

Magnetic Base
P/N: 49001

Clip-on attachment with a magnetic base that adheres to many metal surfaces.

Helmet Attachment
P/N: 49002

These simple two sided Velcro attachments allow for easy instalment onto the back of helmets for identification and crowd control coordination.

Wrist Strap
P/N: 49004

Stretch nylon strap that can be used to fasten the Guardian to the arm or wrist, or a multitude of other objects.

Bike Mount
P/N: 49005

Allows for easy attachment to most bicycles and poles.

Head Strap
P/N: 49006

Comfortable stretch nylon band with adjustable head that can be attached to any Guardian to make an effective head light. Can also be adjusted to fit wrist for hands free lighting.

Battery Pack Strip
P/N: 49010-S

The Guardian uses two common CR-2032 Lithium cell batteries. A pre-wrapped battery pack of two cells comes with all Guardian models. Additional packs are available in strips of four.
