

PEI-Genesis™
Engineered Solutions for connectors and cables

PRODUCT LINE CARD

You need to protect your customers' and your brand's reputation by using the highest quality products.*

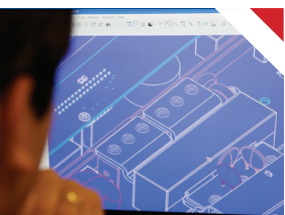

SPEED

In your world, you need products quickly without any lost production time.

VALUE-ADD

Enjoy better access to the brands you trust. We provide manufacturing capabilities with distribution flexibility.

EXPERTISE

You're the expert in your products; let us be the expert for your interconnects.

PEI-GENESIS CUSTOMER PROCESS

ENGAGE Whether you meet with a PEI sales expert OR visit www.peigenesis.com, we'll get you the right solution, fast.

RESEARCH Access our online resources, 24 hours a day / 7 days a week, or contact an Applications Engineer at: techsupport@peigenesis.com

SOLVE We will work with you to identify the right parts to meet your needs.

OPTIMIZE Our work is never done. We will work with you to continue to optimize your solution.

APPROVE We make sure all technical specifications, quotes, timing, and quantities are approved by you.

MANUFACTURE We build your order to your specifications with precision and speed.

*PEI-Genesis maintains an AS9100C:2009 and ISO9001:2008 certified quality management system at its corporate headquarters in Philadelphia, PA, and at production facilities in South Bend, IN, and Southampton, UK. South Bend, IN operation is ITAR-registered with the US Department of State and Southampton, UK is registered with the BIS in the UK.

MANUFACTURERS

PEI-Genesis is an authorized distributor for the premier brands in the industry.

High reliability military and commercial interconnects.

cannon veam

All divisions including:

Aerospace, Alden, Air LB, Canada, Industrial, Infocom, LTW, Oil & Gas, PCD, RF, Sine, Socapex, Tuchel, UK Ltd.

Authorized Distributor

DEUTSCH and Raychem. High reliability connectors and cable accessories for aerospace, military, and industrial applications.

High quality push-pull connectors, tools, and accessories.**

Interconnect products for aerospace, transportation, military, and commercial applications including Fibreco.

An IDEAL Company

High current, quick-disconnect power connectors for material handling, telecommunications, medical, power electronics, and other industries.

Aiconics
Contact installation and removal tools

Abbotec
Connector nutplates for military and automotive applications

Bud Industries
Enclosures, cabinets, and racks

Carlisle/Tri-Star
High reliability contacts and military interconnect products

C&K
Switch and sensor products

Conta-Clip
Cable grips and connection accessories

Conxall
Industrial harsh environment connectors

Daniels Manufacturing Corporation
Connector tools for contact crimp, insertion, and extraction

Dialight
LED technology for light engines, power supplies, optics, and intelligent control

DSG-Canusa
Complete source for heat shrink tubing products and heat shrinkable related technology

E-T-A®
Circuit protection devices and power management solutions

Flexa
Protective Conduit Systems made of plastic and steel

HARTING*
Connectors, device terminations, backplanes, and network components

HellermannTyton
Leading manufacturer of cable ties, clamps, heat shrink, and label identifiers

Panduit
Network and electrical solutions for wiring and communications applications

Polamco
Connector backshells for aerospace and industrial applications

PMA
Cable protection systems

Standard-K®
Circular quick-disconnect multi-pin aluminum connectors from 2 - 110 contacts

Sunbank
Connector backshells and conduit systems

Sure-Seal Connections®
One-piece, low cost, high reliability, watertight connectors and accessories

Switchcraft®
Audio connectors, jacks, plugs, and switches

TechFlex
Sleeving solutions and related products for the management and protection of wires, cables, and hoses

Troxlex
PEI-Genesis is a global authorized distributor for the Trolex Falcon Series

Ulti-Mate
Micro and nano connectors

Zippertubing Co.
Wrap-around cable management, EMI shielding, heat shrink, and tubing

*North America only **Not authorized in Europe
(PEI is authorized for LEMO in Turkey)

DID YOU KNOW

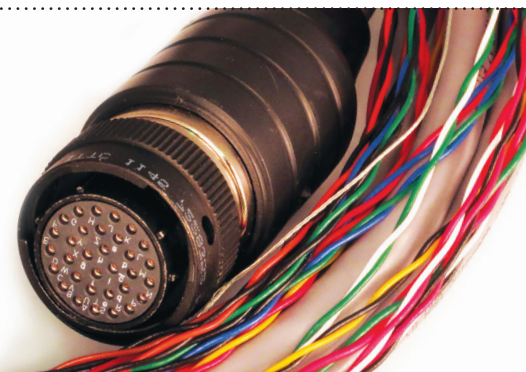

PEI offers custom cable harness design services and assembly?

Let our Engineered Solutions Group design a solution that's tailored to your requirements:
