

Domestic Counter Terrorist Training - The Solution

CONSULTANCY: TRAINING: MENTORING: DESIGNING PROGRAMS: IMPROVING INSTRUCTOR CAPABILITY

Praetorian International has established itself as the customer’s ultimate choice for providing Domestic Counter Terrorist (CT) training. Our background and operational experience in the UK Special Forces community ensures that our instructors are operationally current and subject matter experts. Our training solutions are demanding, tactically advanced and are relevant to both the Military and Law Enforcement Agencies. All our training solutions are based upon current tactics, methodology and providing students with the skills to become effective members of their team.

Project Management and Consultancy

- Providing Tier 1 training managers and instructors who are internationally regarded experts in their specialities.
