

MILAN BOX CORPORATION

Milan Box Corporation had it's beginning in 1927 when Mr. A.N. Dedmon moved to Milan from Gibson, TN and started making boxes and crates to pack out the regions bountiful fruit crop. With the advent of World War II, the company expanded and began manufacturing military ammunition boxes. During the 1950's, due to the rapidly growing demand in the industrial sector, the company shifted more of it's production to the fruit and vegetable markets to the industrial market.

Milan Box Corporation is a fourth generation family business, owned and operated since 1927. Throughout our history, Milan Box has maintained it's excellent reputation as a high quality manufacturer of plywood and wood packaging.
