

TM-MASTS

TACTICAL TELESCOPIC PUSH-UP MASTS FOR LIGHT TOP LOADS

**MAST
SYSTEM**

TM-MASTS

Lightweight telescopic TM-masts are push-up masts for heights up to 7,6 meters and for 2–5 kg top loads. Mast sections are pushed out and locked with friction locks one by one.

TM-masts are made of glass fibre composite material. Designs can be customised according to customer's specifications and requirements. Mast tube colour is dark green. Other tube colours are available at request. TM-masts can be supplemented with a wide range of mounting kits for vehicles and shelters.

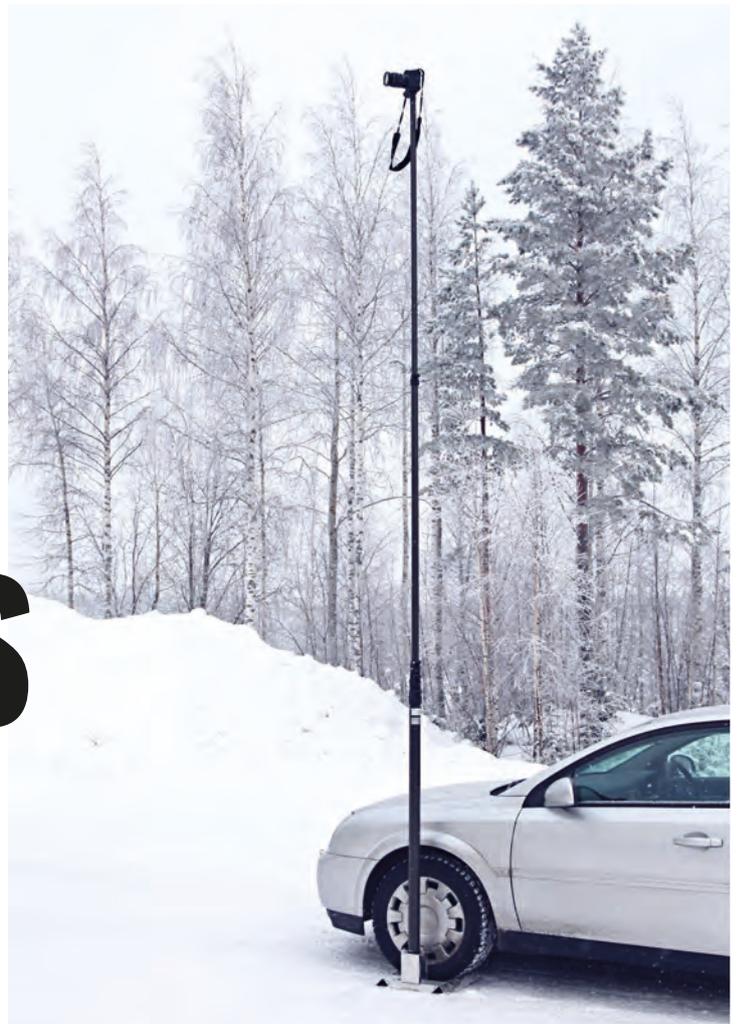

ACCESSORIES AND ANCILLARIES

- variety of mast base supports for unguyed mast
